2. **Explain:**
 - We are coloring the letters and picture.
3. **Demonstrate:**
 - Where the children should color (numbers).
4. **Assist** the children with coloring but allow them to try. Give encouraging feedback for their efforts.
5. Using the alphabet flash cards work with the letters W, O, R, and M so build sight recognition of the letter. Ask the group to call out the letters as you show them. Assist them in remembering as needed.
